Re: Freedom of Information Act Request

To Whom It May Concern:

Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, as amended by the Electronic Freedom of Information Act Amendments of 1996, and implemented by the Environmental Protection Agency (EPA) at 40 C.F.R. Part 2, I hereby request EPA to provide all Records concerning or relating to the EPA's investigation of a Clean Water Act Complaint Inspection at the Russell F. Tennant Water Treatment Facility, Attleboro, MA on May 7, 2013 which ultimately resulted in the assessment of a \$32,000 fine against the City of Attleboro.

In particular, this request seeks information regarding the investigation by EPA inspectors at the Russell F. Tennant Water Treatment Facility on May 7, 2013. The requested information would include any field notes, photographs, interviews, or other investigation materials and any materials related to the May 14, 2013 memorandum by Senior Enforcement Analyst Kenneth B. Rota summarizing the investigation. In addition, the request includes any communications, internal memorandums, drafts and correspondence regarding the assessment of a penalty with respect to this matter.

Thank you for your cooperation with this request. Please do not hesitate to contact me if you have any questions regarding this request.

Very truly yours,
